find right order of “↑”

Three black brush strokes are shown in a green dashed box:

- Stroke 1: A vertical line starting from the top and ending in a small hook at the bottom.
- Stroke 2: A curved line starting from the top left and curving down to the right.
- Stroke 3: A curved line starting from the top right and curving down to the left.

Below the strokes are three red circles with numbers 1, 2, and 3, each followed by a red horizontal line for an answer:

① _____ ② _____ ③ _____

find right order of

Four black brush strokes are shown in a yellow dashed box:

- Stroke 1: A curved line starting from the top left and curving down to the right.
- Stroke 2: A small hook starting from the top and curving down to the right.
- Stroke 3: A vertical line starting from the top and ending in a hook at the bottom.
- Stroke 4: A curved line starting from the top right and curving down to the left.

Below the strokes are four blue circles with numbers 1, 2, 3, and 4, each followed by a blue horizontal line for an answer:

① _____ ② _____
③ _____ ④ _____

zhǎo shuǐ guǒ

找水果
